

YOUNG PROFESSIONALS COUNCIL

St. Anthony's Young Professionals Council (SAYPC) is looking for creative, empathetic, and action-oriented people who are interested in volunteering their time and skills to extend critical services to homeless and low-income San Franciscans. If you are excited about making a positive impact in the community and meeting like-minded people, please apply to SAYPC by [submitting your application](#).

WHAT IS ST. ANTHONY FOUNDATION?

St. Anthony's is a privately funded non-profit organization in the heart of the Tenderloin that has been providing essential support to San Franciscans living in poverty for over 70 years. Our mission is informed by our values: healing, community, personalism, justice, and gratitude. Every day, we provide essential services, health care, and gateways to stability to thousands of San Franciscans in need. Our work is inspired by the strength of our guests, the dedication of our staff, and the generosity of our donors and volunteers. Learn more about St. Anthony's [here](#).

WHAT IS ST. ANTHONY'S YOUNG PROFESSIONAL COUNCIL?

SAYPC is a self-governing council of passionate and action-oriented volunteers under 40 years old that serves to extend the reach and capacity of St. Anthony's. Since its inception in March 2015, SAYPC has created and helped execute numerous initiatives and programs, such as educational and fundraiser events, volunteer programs, corporate partnerships, and strategic initiatives leveraging the voice and perspectives of a new generation to change the conversation around poverty and homelessness. We are looking for people to help us continue to propel these efforts to the San Francisco mainstream, making SAYPC a voice for those in need and the de facto resource for Bay Area residents seeking information and opportunities to engage. Learn more about SAYPC's current members [here](#).

IDEAL CANDIDATE

You are first and foremost passionate about helping San Francisco's most vulnerable residents. You are hungry for knowledge and eager to lend your creativity, diverse skill sets, and past experiences to collaborate with a team of like-minded individuals ready to initiate change. You are a self-starter who makes your voice heard and respects the opinions and beliefs of others. Any specific skills or practical work experience you feel could be applicable to the volunteer work we do as SAYPC is a plus!

EXPECTATIONS

As part of SAYPC, we ask that you commit to

- Attending our monthly meetings* in person on the 2nd Tuesday evening of each month
- (6-7:30 pm)
- Volunteering at least an additional 1-2 shifts a quarter with St. Anthony's
- Leading at least 1 SAYPC meeting annually
- Leading or co-leading at least 1 event or initiative annually
- Donating annually (any amount)
- Facilitate a partnership between St. Anthony Foundation and other organizations, companies, and networks you are a part of.

**Our monthly meetings allow us to discuss relevant current events and policies, delegate responsibilities and get organized for upcoming volunteer opportunities.*
